

25 January 1952

ORR

25X1A

Administrative Assistant of ORR.
Gave him the list of questions which we would like to obtain from the Office in connection with the Historical Report.

25X1A

who is most cooperative felt that most of it can be done within thirty days, which was what I asked him to consider as the deadline. On the report, however, I had not put down the question of the preparation and issuance of the National Intelligence Surveys (I had not previously realized that this was a function of ORR).

25X1A

is in charge of this work for CIA which assembles and prints the information received. is away on sick leave, however, and

25X1A

25X1A

10th & Independence Avenue, Extension 2823, is his deputy. Mr. suggested that I consult direct for the information desired regarding NIS publications.

25 March '52 has been away on vacation. He has not yet got things in hand again, but promises a report next week. Follow up 2 April

21 May '52 has been putting me off time after time and has done nothing. He now has another assignment away from administrative duties. He advised me 8-day by telephone he will devote himself to the report. If no progress is made by 1 June I shall start at the top and try to get action

over

28 May '52

25X1A

assures me he has things
under way and will have something for us
next week. FU. 6 June
